ABOUT ME

Information Technology graduate with hands-on experience in developing web and mobile applications. Familiar with various programming languages, frameworks, databases, and API development, with experience in both frontend and backend technologies. Interested in exploring different areas of software development, learning new technologies, and applying technical skills to build practical solutions that meet user needs.

EDUCATION

2024 - 2026
KMUTNB

Bachelor's Degree in Information Technology

Relevant Coursework: Programming, Information Systems Development, Mobile Application Development, Computer Networks, Multimedia, and IoT. GPA: 3.51

2022 - 2024
Thai-Austrian Technical College

Diploma Vocational Certificate in Information Technology

Relevant Coursework: Computer Programming, Web Development, Database Management, Object-Oriented Programming, and Software Development. GPA: 3.67

2019 - 2022
Thai-Austrian Technical College

Vocational Certificate in Business Computer

Relevant Coursework: Business Computing, Database Applications, Website Development, Computer Graphics, and Office Applications. GPA: 3.78

EXPERIENCE

April 2025 – May 2025
M CONCRETE CO., LTD.

Software Developer Intern

Developed internal mobile applications using Flutter based on requirements and Figma designs. Built multiple request and data-entry modules while ensuring functionality met organizational requirements.

October 2023 – February 2024
Senior Aerospace (Thailand) Limited

Software Developer Intern

Developed and maintained internal web applications across frontend, backend, and full-stack using HTML, PHP, JavaScript, C#, and ASP.NET Core MVC. Designed databases, developed RESTful APIs using Swagger, and created system workflows and UX/UI prototypes using Figma.

PROJECT

2026
Bachelor's Final Project

Smart Government Letter Assistant System

Developed a web-based document management system for official letters and document exports (PDF/Word) using PHP, MySQL, JavaScript, Python (FastAPI), and REST APIs.

SKILLS

- Programming: PHP, JavaScript, C#, Python
- Frameworks: ASP.NET Core MVC, FastAPI, Flutter
- Database: MySQL, SQL Server
- API: RESTful API, Swagger
- Design: Figma, UX/UI Prototyping

LANGUAGES

Thai: Very Good (Speaking and Reading); Good (Writing) | English: Intermediate (Speaking and Reading); Fair (Writing)
